OTHER THINGS TO DISCOVER

TRY-A-SKILL AREAS

Drop in anytime at our Try-a-Skill areas in (almost) every hall. Here you can test your skills and see where you excel – and maybe even discover a new talent or future career path!

SUSTAINABILITY TRAIL

The Sustainability Trail guides you through the halls with stops showcasing green solutions, ideas, and innovations from our partners and exhibitors – highlighting how skills and professions contribute to a greener future.

SILENT STAGE

in Hall L

Listen to inspiring talks on skills, innovation and sustainability through wireless headphones.

SILENT ZONE

in Hall L

Take a break in the Silent Zone – a calm space to relax and recharge. Manned by Headspace, who are ready for a friendly chat if you need one.

BOSS LADIES EMBASSY

in Hall M

Visit the Boss Ladies Embassy to learn about their efforts to empower women to pursue careers in traditionally male-dominated trades and vocational education.

THE GREEN MISSION

QR codes by every competition

Take part in a digital treasure hunt! Scan QR codes on wooden signs, answer sustainability questions, and win great prizes. Open to everyone, but especially designed for lower secondary students.

SHOWDOWN ARENA

in Hall K

The EuroSkills Showdown Arena challenges You-Tubers in wild, over-the-top battles — from insane cake contests to massive flower design face-offs with thousands of blooms. Come and join the fun!

#SkilledGreenerFuture-park

in Hall K

A chill indoor spot filled with ideas, inspiration and a touch of nature. Discover how young talents and companies are creating a more sustainable future through skills, creativity and collaboration. You can even share your own pledge for a greener future – or just grab a picnic blanket, enjoy your lunch, and relax under the trees.

- Busses
- Prayer Room
- Medics
- Defibrillators
